Dear IECE Certified or Exempted Teacher:

The Simpson County Early Childhood Regional Training Center in cooperation with the Early Childhood Branch of the Kentucky Department of Education has developed an IECE Certified Teacher Registry for teachers holding the IECE ((Interdisciplinary Early Childhood Education) teacher certification or statement of eligibility. The purpose of the registry is to match IECE certified or exempted teachers with openings in the early childhood field in Kentucky. This registry is also available for teachers who hold a letter of exemption from the Education Professional Standards Board (issued to preschool teachers between 1997 and 2003). The IECE Registry website lists the regions and the number of teachers who have indicated an interest in working in that region. There is no charge for this service.

If you would like to register with this service please fill out an application form and submit it to the Simpson County Regional Training Center. Applications and a scrolling display of the list of regions and numbers of registered teachers in the region may be found at the Simpson County RTC website at: http://rtc.caveland.org .

For more information, please contact Bill Porter at the Simpson County RTC at (270) 586-2008, e-mail: Bill.Porter@simpson.kyschools.us or Annie Rooney French at (502) 564-7056, e-mail: Annie.French@education.ky.gov.
